

IBC Lecture Meeting: getting ready

Have you marked IBC 2021 - from **10 to 13 September** - on your calendar? SCTE Benelux Group hopes to welcome you in Amsterdam. During this global event for electronic media and entertainment, we organise the annual and well-attended IBC Lecture Meeting, followed by drinks.

Although planning is difficult under the current circumstances, the preparations for both the IBC Lecture Meeting and our presentation at this event will start this month. More than ever we hope to welcome you personally to Amsterdam!

Summer meeting: business and pleasure

Deepening knowledge, relaxing and networking. These are the three ingredients of the Summer Meeting for members of SCTE Benelux Group. Our last event, which took place back in June 2019, remains at the forefront of our memories not least because of the hotly contested SCTE Benelux Kart Trophy!

While exact options for this coming summer are not yet known, the board of SCTE Benelux Group is already looking at options for the 2021 edition. A golf clinic, puzzle ride with nostalgic Solex mopeds or maybe even another kart competition?

As soon as we know more, we will report this through the website www.scte-benelux.eu and our Facebook page.

Members of the SCTE Benelux Committee

The board of SCTE Benelux Group currently consists of the following members:

Edo Kweldam - Chair, SCTE Benelux Committee

Ruud Wielaard – Secretary (interim), SCTE Benelux Committee

Herman Grooten - Treasurer, SCTE Benelux Committee

Peter Veerman - SCTE Benelux Committee

SCTE's Benelux Group, with its own dedicated committee, focuses on the requirements of SCTE's members in the Benelux region (Belgium, Netherlands and Luxembourg). It regularly organises networking and lecture meetings in the Benelux region (often hosted by local cable operators and manufacturers), holds its own Annual Dinner and the annual Benelux Lecture at the RAI Centre in Amsterdam during IBC.

Keeping in touch

Due to lockdown restrictions, contact between the members of the SCTE Benelux Group has been virtually impossible. The Annual Dinner in February was cancelled due to the COVID-19 measures in the Netherlands.

You may have a question or want to make a suggestion; if so, please contact one of the members of the SCTE Benelux Committee. You can use the contact form at www.scte-benelux.eu or send an email to secretaris@scte-benelux.eu.
