

The Society for Broadband Professionals

SCTE 2016 AWARDS

ANNUAL INDIVIDUAL ACHIEVEMENT AWARDS

Nominations are now being sought for the 2016 SCTE Individual Achievement Awards. The 2016 Awards will be presented at the SCTE Annual Dinner which is being held on **9 April 2016** at the Lincolns Inn in London.

The 2016 Individual Awards will be in the following categories:-

(i) Engineer of the Year (not necessarily an SCTE Member).

(ii) SCTE Member of the Year.

The nominations for the above Awards are being requested from all grades of Society Members and these should be forwarded to the SCTE office no later than **31 January 2016**.

Nominations can be made on the form below. Alternatively, these can be done online via the SCTE website at **www.theSCTE.eu**

After the closing date, the Executive Committee will then adjudicate the responses and decide whether, and to whom, the Awards should be given.

As mentioned previously, the 2016 Awards will be presented at Lincoln's Inn in London on the occasion of our Annual Dinner and the winners plus their partners will, of course, be the Society's guests at this prestigious event; an added bonus prize to the honour of receiving the award itself.

In order to assist the Executive Committee and panel in their deliberations, please give as much background information as possible for your choice of nomination in each category.

Please remember that these are YOUR awards, so make sure that your views count by completing the nomination form TODAY!

SCTE 2016 AWARDS
