SCTE™ 2021
Achievement Awards

TECHNOLOGICAL INNOVATION OF THE YEAR

PAST WINNERS

2019

The winner of the best overall submission and SCTE 2019 Technological Innovation of the Year Award was Bridge Technologies CO AS for its VB330 with Remote PHY.

2018

The winner of the best overall submission and SCTE 2018 Technological Innovation of the Year Award was ARRIS for 'Europe's first D3.1 R-PHY Network – Stofa & ARRIS'.

SCTE™ 2021 TECHNOLOGICAL INNOVATION AWARDS

Nominations are now being sought for the 2021 SCTE™ Technological Innovation Awards which will be presented at the SCTE 75+1 Anniversary Gala Awards Dinner on **26 June 2021**. Following the massive sell-out success of our previous dinners, this is sure to be another success.

Traditionally, the prestigious SCTE Technological Innovation Awards have only been awarded to Corporate Members of the Society but, as a result of the general interest raised, we have decided to open the awards to the whole Broadband Industry and you are, therefore, invited to nominate a product on the form in this brochure.

Eligibility

The awards are for technological innovation in the broadband arena and may be for a product, system or concept. (Please note: The item nominated must have been introduced into the marketplace between 1 January 2019 and 31 December 2020).

Award Categories

Awards will be given for four separate categories:

- Best broadband network transmission solution.
- Best digital processing solution.
- Best in-home solution.
- Best fibre innovation.

In addition, the best overall submission will receive the:

- SCTE 2021 Technological Innovation of the Year Award.

Nomination Procedure

Nomination forms are to be forwarded to the SCTE office no later than **31 March 2021**. Nominations can be made on the attached form or, alternatively, they can be submitted by email to **office@thescte.eu**. An electronic version of this form is available via the SCTE website at **www.thescte.eu/index.php/about-us/awards-and-bursaries**. In order to assist the judging panel in their deliberations, please limit your submission to 300 words or less; you may, however, attach product brochures, white papers etc. as background information.

Judging Process

Judging will be by an independent panel of industry experts. After the closing date, judging will take place and the shortlisted candidates will be announced by the end of April 2021. The ultimate winners and runners-up will be announced at the SCTE 75+1 Anniversary Gala Dinner at the Tower of London on **26 June 2021**.

Prize Winners

Shortlisted candidates may use the SCTE logo and the words "Finalist, SCTE 2021 Technological Innovation of the Year Awards" in their promotional material throughout 2021. In addition, the winner's achievement will be promoted in a press campaign by the SCTE to the trade press and to its international membership.

The winners will receive a prestigious SCTE 2021 Technological Innovation of the Year Award, which will be presented at the SCTE 75+1 Anniversary Gala Awards Dinner on **26 June 2021**. Subsidised places at the event will be made available for representatives of the winning and runner-up companies.

Entrance Fee

There is a nominal, non-refundable entrance fee for this Award of £100. Please ensure that your cheque (made payable to SCTE) is attached to your nomination form or, alternatively, payment by credit card or BACS can be arranged with the SCTE office on tel: +44 (0) 1923 815500.
