East & Central European
BROADBAND EXPO

2015

18. EAST AND CENTRAL EUROPEAN BROADBAND EXPO

22-23 rd September 2015
Budapest, Hungary

IN ASSOCIATION WITH SCTE, THE SOCIETY FOR BROADBAND PROFESSIONALS

ECEBE and SCTE, the Society for Broadband Professional will be uniting two events this year into a single broadband conference and exhibition in Hungary on 22-23 September 2015. The SCTE's Balkan Broadband conference and exhibition, held last year in Belgrade, Serbia, will become part of the two-day ECEBE event and take place at a new central location in Budapest, Hungary. The event will be known as "ECEBE in association with SCTE, The Society for Broadband Professionals."
