SCTE® PRESENTS: CONFERENCE DAYS CALENDAR 2026

We take our mission to educate and inform seriously at the SCTE and have outlined topics and themes to take us up to the end of 2026, every quarter. A new theme for each season, new speakers, compelling topics, an opportunity to learn from the best.

Join us at One Great George Street for a day of thoughtful debate, excellent networking and a delicious lunch, free to attend. Places are limited so do keep an eye on announcements and register for tickets as soon as they are released.
