“TECHNICAL AND COMMERCIAL ASPECTS OF FTTH NETWORKS”

You don't have to be an SCTE member to participate in this SCTE Benelux Lecture Day – simply register with the SCTE Benelux Secretary, Rien Baan – see details below. Presented papers will be available for members to download from the SCTE website after the event.

LECTURE DAY HOSTED BY GENEXIS BV

Founded in 2002, Genexis is the European market leader in developing and delivering Layer 2 and Layer 3 fiber-to-the-home (FTTH) equipment that connects the end users with the digital world. Our vision is to provide infinite fiber broadband connectivity, anywhere in the home, available to everyone. To make this a reality, our mission is to make in-home communication easy by continuing to develop, build and supply the highest quality in-home connectivity solutions for our clients: network operators, service providers, system integrators and the end user.
